

State of Montana
Office of the Governor
Helena, Montana 59620

TED SCHWINDEN
GOVERNOR

August 5, 1985

Mr. Michael Samson, Chairman
Board of Selectmen
Town of Poultney
Poultney, VT 05764

Dear Mr. Samson:

I am writing to recommend Jonas Rosenthal for the position of Town Manager.

I have supervised Jonas over the past three years and am familiar with his capabilities and experience. As a member of the Governor's Staff, Jonas has worked with a variety of problems and many public policy areas, including corrections, highways, health care, economic development, social services and manpower. As a member of the Governor's Staff, Jonas has demonstrated he can meet deadlines and carry a heavy workload. Jonas has also been responsible for staffing state level committees, which has given him experience in staffing committees and getting diverse interests to work as a committee.

The Town Manager position would fit with Jonas' career plans and allow him to return to the East. The position would be good for Jonas and I am sure he would be good for Poultney.

Sincerely,

A handwritten signature in blue ink that reads "Gene Huntington".

GENE HUNTINGTON
Senior Administrative Assistant
