GEORGE TURMAN  
LIEUTENANT GOVERNOR

August 7, 1985

Mike Samson, Chairman  
Board of Selection  
Town of Poultney  
86 Main Street  
Poultney, Vermont 05764

Dear Mr. Samson:

Jonas Rosenthal has informed me that he is an applicant for the position of manager of the town of Poultney. In that regard I am writing to recommend his appointment.

I have worked with Jonas in a variety of situations and at a number of different tasks. In each he has demonstrated research, administrative and executive skills and in all he has been competent, conscientious and effective.

In consideration of your needs for a town manager I have relied in recommending Jonas on my experience as a mayor and chief executive of the city of Missoula, Montana (population approximately 33,000). In my opinion, Jonas has the attributes which give reasonable promise of success in the manager's role. He is consistently well informed, adaptable, personable, intelligent and willing to work objectively on any schedule to accomplish an appropriate task.

As Jonas' resume indicates, he has had extensive experiences which are relevant to town management and to understanding community affairs. With that background and my own favorable experience in working with him, I confidently recommend Jonas for the position of manager.

Sincerely,

A handwritten signature in blue ink that reads "George Turman".
