Mr. Michael Samson  
Chairperson  
Board of Selectmen  
Town of Poultney  
86 Main Street  
Poultney, Vermont 05764

Dear Selectmen Samson:

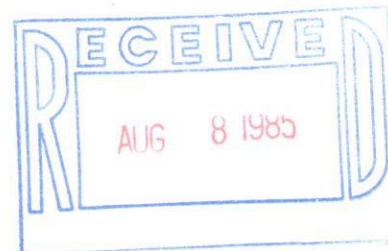

This letter of recommendation is for Mr. Jonas H. Rosenthal, a work associate of mine, who has applied for the Town Manager position in Poulney. I have worked with Mr. Rosenthal for nearly four years now and have always found him to be very effective in the role he plays in the Governor's Office. Jonas has been engaged in several projects that deal with local government finance and management and has handled them with the kind of balance and dedication that have brought very positive results to the important customer, the taxpayer. I believe that as a person and as a professional, Jonas Rosenthal has both the skill and the judgment that will qualify him for a position such as the one your town is seeking.

Please feel free to contact me personally, should you need more information on this recommendation.

Sincerely,

A handwritten signature in blue ink that reads "Newell B. Anderson".
